PROUD HERITAGE

Obeetee recently unveiled a limited edition range of handcrafted carpets created in collaboration with fashion label Shantanu & Nikhil, presented in three sub-themes of Independence, Regimental Regalia and The India-Proud Story. With patterns of bold victory flags, insignias of celebration and a red-and-blue colour palette depicting the power of the army, the collection celebrates core elements of India, with roots that are modern yet cultural, exotic yet familiar and unassertive yet proud. To ring in the festivities, Kolkata-based bespoke-furniture maker Ochre At Home has launched an elegant Christmas dining table setting and a handcrafted pinewood Christmas tree. Made with recycled wood, the Christmas tree is inspired by the Czech art of making handcrafted wooden toys. Ochre At Home creates the understated, minimal tree by stacking together planks of pinewood, and adds finishing touches with red and green decorations, turning it into a showstopper.
