## Perfectly Sculpted

Ochre at Home (OAH) unveils their latest collection of sculptures which are designed for modern homes to bring in an element of fun and playfulness to your space. Some of the sculptures are inspired by famous vintage European sculptures, but are given a surprising contemporary flavour. Crafted using resin, clay, fiber glass, metal, polycarbonate etc., these chic sculptures evoke a range of emotions. Though mostly conceived in black or white, they come with elements that add sudden bursts of colour. ([ochreathome.com](http://ochreathome.com))

## Box-ed With Care

Origami's latest addition to its vast range of products features a delightful tissue box that displays a series of light-hearted, pop-up designs rendered in 3D. These 3D boxes can be customised for large orders to suit different environs and moods, be it any design for beauty salons, youthful artwork to brighten up schools or a branding exercise for corporate companies. The boxes are easy on the eyes and to the touch, and can also be kept as a collectible. Equipped with bright hues and pleasing figurines, the boxes act like a small greeting cards, where you can find beautifully rendered elephants, giraffes, elegant butterflies and cuddly bears.
