Sleep Haven

Alsorg presents their currently-trending bedroom collection **Linea** that celebrates the brand's high-end glass wardrobes which are a technological marvel. A play of lines, i.e. the most essential element of design, runs across the entire panorama of this setup. Composed in a combination of dark greys and brown, the material palette of this collection is highly refined and mature. (alsorg.com)

New Launch

Step into the revolutionized world of staircases with **Kajaria Step Stone**. Stairs and staircases are more than just a functional unit in houses, rooms and hallways today. These practical units have an interesting **design aspect** to them that can redefine home spaces. **Kajaria Step Stone Vitrified Steps and riser** come with a variety of shades and colours to enhance your spaces to the next level. These are designed for easy installation and providing durability to the staircases. With a bull nose finish and anti skid properties, these are crafted to specifically prevent injuries. Floral Seat

Ochre at Home have launched a collection of statement chairs that are sure to add a definite character to your interiors. We loved the Chinoiserie dining chair that features sleek proportions and intricate Chinoiserie printed fabric to add a fine delicacy to this elegant chair. Its back is in solid grey velvet fabric. Wooden legs feature muted gold brass caps (ochreathome.com)

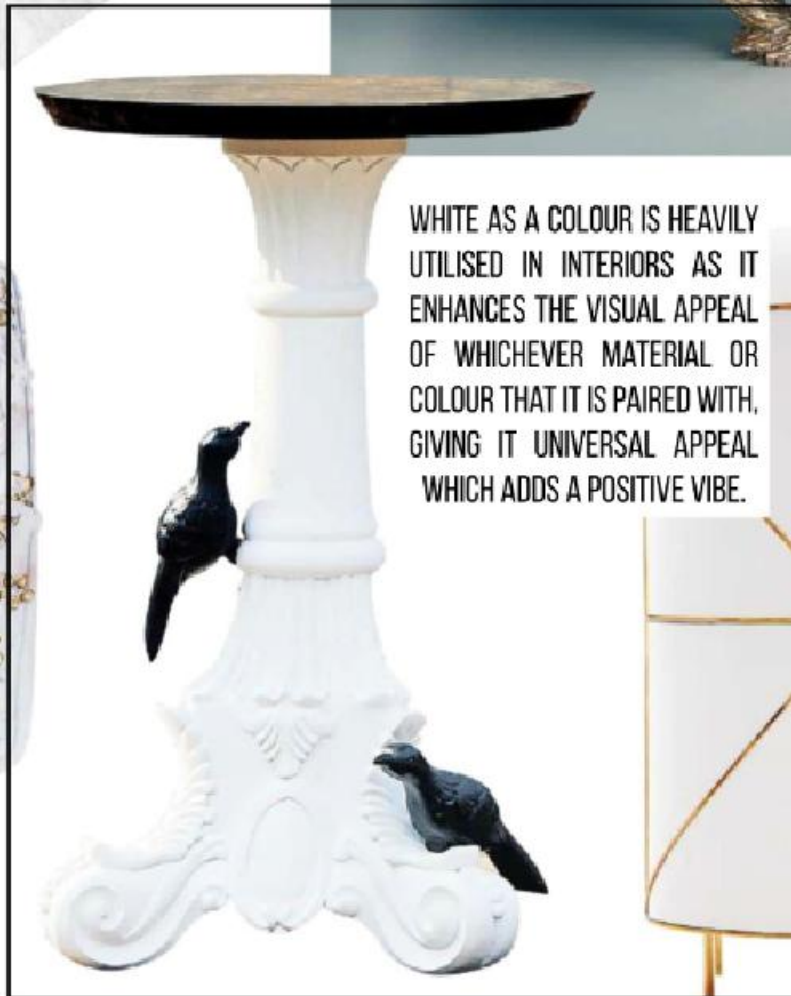

Mindful Luxury

The newly introduced statement leather clad **Media Cabinet** from **Fusion Access** is accented with antique brass nail heads in a geometric pattern, giving it a glamorous look. Style the top with books and plants. (fusionaccess.com)
