Stay in Order

Ajay Arya of Ochre at Home brings geometric flair to your homes. The collection is a playful mix of straight lines, curved shapes and a lot of colours. We are in love with these handcrafted beauties.

Set in Concrete

Eliteearth — The World of Concrete, is a brand obsessed with all things concrete (duh!). Right from jewellery to planters and accent pieces, you can choose from a vast repertoire of concrete products. Our favourite? These minimal washbasins in tinted concrete. Gurpreet Kaur, the founder, says, "We are on a journey to find innovative ways to help people experience sustainable beauty in concrete form."

SWETA & AJAY ARYA

Founders, Ochre At Home

"Christmas is the right time to channel your inner maximalist leanings by marrying statement accent pieces, bold furnishings, and accessories with each other. We've gone for that 'wonderful time of the year' vibe," says Ajay Arya, Founder, Ochre at Home. Sweta and Ajay take the unconventional route to create this intimate tablescape that has a luxurious, chic-barn look. Fern, twigs, fresh flowers and add to this clusters of candles with personalised Christmas messages, the effect is hearty, we love it!

WE LOVE THIS UNCONVENTIONAL TAKE ON THE CHRISTMAS TREE. INSPIRED BY THE ART OF MAKING CZECH WOODEN TOYS, THIS TREE IS MADE OF RECYCLED WOOD.
